

VOLUNTEER *Time Off*

To whom it may concern,

The One Happy Island of Aruba is officially requesting Volunteer Time Off (VTO) for _____ —to take part in a different kind of getaway: one that gives back.

While in Aruba, they'll participate in community and conservation efforts that help preserve the island's natural beauty for generations to come. It's voluntourism, the Aruban way: meaningful, memorable, and rooted in respect.

Because here on the One Happy Island, we believe real relaxation includes giving back—and that traveling responsibly isn't just a trend, it's a promise.

Thank you for considering this request. We promise they will come back with a tan and a plan - recharged, inspired, and rejuvenated by finally taking that unused VTO.

Sunny regards,
Aruba
